

PULMONARY FUNCTION TESTING

371 Yankee Street, Dayton, OH 45458
Phone 937-859-5864

This testing will measure your lung capacity. You will be sitting in a booth and performing a series of breathing exercises. This will give Dr. Wagshul information as to your pulmonary abilities. It will also provide information that will help in determining what treatments may help you.

The test will take approximately 1 hour.

DO NOT SMOKE WITHIN 6 HOURS OF YOUR TEST TIME

DO NOT TAKE ANY INHALED MEDICATIONS WITHIN 4 HOURS OF TEST TIME

(Pill form medication may be taken)

**If you are ill (Cold, Flu, etc.) Please call us to reschedule your appointment.

Your test has been scheduled for:

Date: _____ Time: _____

Kindly give us at least 24 hours' notice if you need to cancel or reschedule.

There is a \$50 fee for no show appointments.
